

Kids on the Block

JOSEPH MALEY FOUNDATION

The Kids On the Block Program (KOB) is a unique way to teach awareness and acceptance of all others with the help of child size puppets.

The Joseph Maley Foundation 8th grade KOB puppet troupe teaches students in PK-4 about Learning Disabilities, Visual Impairments, Hearing Impairments and Cerebral Palsy with short skits, and Q & A time.

To schedule a JMF puppet performance or for information about how 8th grade students from your school can become part of our troupe, please contact Vivian Maley vmaley@josephmaley.org or **317.432.6657**.
